### First aid and accident care training

*Kerala orthopaedic association is going to conduct one day all kerala first aid and accident care free training to ambulance drivers as a part of its social service activity. The training will be held on 29-07-07, Sunday from 10.30AM to 3.30 PM at C.M.S. college, Kottayam.*

*The training will be given by orthopaedic surgeons with the help of computer presentation, first aid materials, models and C.P.R. mankin. Accident first aid, cardiopulmonary resuscitation, first aid in ambulance, triage, health check up, health insurance, medical causes of accidents and prevention will be discussed or demonstrated. First aid on non road traffic type accidents like poisoning, drowning, snake bite, electric shock, heart attack, burns etc also will be discussed. Police and traffic aspects of accidents will be discussed by police and traffic C.I.s respectively.*

*Inauguration is expected to be done by Honorable state minister. Kottayam M.L.A., Kerala orthopaedic association President, Hon. Secretary and Lions Governor will be present for the inauguration meeting. The programme is sponsored by Kerala Orthopaedic Association and Kottayam Lions District. The registration is free and free lunch will be provided for the delegates. Kerala orthopaedic association will provide course certificates to the delegates at the end of the training.*

*Road traffic accidents are on increase. Immediate care of the victims in the accident site and in the ambulance are vital to save their life and to provide them better quality of life. Please utilize this golden opportunity which will enable your ambulance drivers capable to deal with the first aid of all the important medical emergencies at the site of accident and in the ambulance. Please sent your ambulance drivers for the training and also if possible please intimate us about their attendance. Our contact address is given on the bottom.*
