CLICK BELOW TO VISIT KERALA ORTHOPAEDICS

Email discussion forum for orthopaedic surgeons. Around 7000 links to important and useful orthopaedic and medical web sites are available in this site. This web site is linked to all the important orthopaedic, medical and related internet networks. The web site contains around 150 pages of fun software and 500 orthopaedic medical and other clip arts and illustrations. Through this site you can download orthopaedic text books, power point presentations and medical clip arts etc. past meetings, search and post new conditions, research journals and recent advances. International ortho meeting information, fellowship links and live orthopaedic web casts are available through the site. KOA and IOA news are available in the site. There are around 700 members now.
